

THE HÅG MOVEMENT

HÅG's mission is to give movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

HÅG H03

- A flexible chair that suits everyone and can easily be shared among different users.
- The integrated rocking mechanism inspires movement and variation, improving the ability to stay alert and concentrated.
- The unique grip adjustment makes it possible to adjust seat depth, back height, tilt tension and armrests simultaneously.
- Adjustable seat height, seat depth and back height. Extra tilt tension (standard for HÅG H03 340 and 350).

QUALITY

10-year guarantee:

- HÅG provides a ten-year guarantee against production defects on all office chairs that are in normal use for up to 9 hours per day.

Certifications:

- Tested in accordance to ANSI/BIFMA X5.1, EN 1335 class B and GS mark.
- Scandinavian Business Seating is certified by DNV-GL according to ISO 9001.

Maintenance:

- Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Scandinavian Business Seating dealer if the chair requires servicing or maintenance.

Fire safety information:

- CMHR foam (fire resistant foam) is available on request, but must be specified at time of order and adds approximately two to five weeks to delivery lead times. CHMR foam must be specified on chairs intended for domestic use.

HÅG
